About Medi Square Ltd.

Medi Square Ltd. is a premier Bangladeshi company incorporated in 2010, specialising in the procurement, supply, and technical support of world-class medical and laboratory instruments. Operating as the flagship enterprise of the LifeScience Technologies Group, we serve government institutions, universities, medical colleges, and private healthcare facilities across all eight divisions of Bangladesh.

Backed by 15+ years of market presence and annual turnover exceeding BDT 20 Crore, we maintain a strict sourcing policy exclusively partnering with CE-certified, ISO-compliant manufacturers from Germany, Japan, South Korea, USA, and Italy.

VISION, MISSION & CORE VALUES

VISION

To be Bangladesh's most trusted partner for world-class medical and laboratory instruments — bridging leading international manufacturers with the nation's healthcare, research, and quality-control institutions.

MISSION

To deliver premium-quality, internationally certified scientific instruments through expert procurement, technical service excellence, and enduring partnerships — enabling Bangladesh's institutions to achieve global standards of analysis, diagnosis, and patient care.

CORE VALUES

- Quality — CE/ISO instruments only
- Integrity — transparent dealings
- Excellence — best-in-class service
- Trust — long-term client focus
- Innovation — latest technologies
- Precision — zero tolerance policy

WHY PARTNER WITH MEDI SQUARE LTD.

What We Offer International Partners

- Active e-GP government tender registration — direct institutional access
- Established relationships with BSTI, BCSIR, DoF, DGDA, MoH & ministries
- 15+ years market presence — trusted by 80+ institutions nationwide
- Factory-trained technical team: installation, calibration, AMC, spares
- Proven execution of complex multi-item government procurement contracts
- Strong pipeline of active institutional tenders across all categories
- Professional bid documentation, technical spec writing & compliance
- Regular market intelligence, sales reporting & feedback to manufacturers
- Regulatory expertise: DGDA licensing, customs, TIN/VAT compliance
- Coverage across all 8 Bangladesh administrative divisions

What We Request from Partners

- Formal Exclusive Distributorship Agreement for Bangladesh territory
- Official Country Authorisation Letter on manufacturer letterhead
- Competitive ex-works pricing with tiered volume discount structure
- Current catalogues, datasheets, CE certificates & ISO documentation
- Application support, technical webinars & factory training for our team
- Reliable lead-time commitments and spare parts supply programme
- Co-marketing support for government tender technical submissions
- Responsive contact for Bangladesh regulatory documentation requests
